metrology at national and regional levels;

 That based on such considerations as referred to in letter a and letter b, it needs to stipulate a Regulation of the Minister of Trade;

In view of

- Law number 2 of 1981 regarding Legal Metrology (State Gazette of the Republic of Indonesia of 1981 Number 11, Supplement to the State Gazette of the Republic of Indonesia Number 3193);
- 2. Law Number 32 of 2004 regarding Regional Governments (State Gazette of the Republic of Indonesia of 2004 Number 125, Supplement to the State Gazette of the Republic of Indonesia Number 4437) as amended several times lastly by Law Number 12 of 2008 (State Gazette of the Republic of Indonesia of 2008 Number 59, Supplement to the State Gazette of the Republic of Indonesia Number 4844);
- Governmental Regulation Number 2 of 1985 regarding the Obligatory and Exemption to be Calibrated and/or Recalibrated as well as the Conditions for Measuring, Dosage, Weighing devices and their outfits (State Gazette of the Republic of Indonesia of 1985 Number 4, Supplement to the State Gazette of the Republic of Indonesia Number 3283);
- Governmental Regulation Number 38 of 2007 regarding the Division of Governmental Affairs among the Government, Regional Government of Province, and Regional Government of Regency / Municipality (State Gazette of the Republic of Indonesia of 2007 Number 82, Supplement to the State Gazette of the Republic of Indonesia Number 4737);
- Governmental Regulation Number 41 of 2007 regarding the Organization of Regional Apparatus (State Gazette of the Republic of Indonesia of 2007 Number 89)

- Supplement to the State Gazette of the Republic of Indonesia Number 4741);
- Presidential Decree Number 187/M of 2004 regarding the Establishment of the Cabinet of United Indonesia as amended by the Decree of the President of the Republic of Indonesia Number 171/M of 2005;
- Presidential Regulation Number 9 of 2005 regarding the Position, Duties, Functions, Composition of Organization and Working Procedure of the State Ministries of the Republic of Indonesia as amended lastly by the Presidential Regulation Number 20 of 2008;
- Presidential Regulation Number 10 of 2005 regarding the Organization Unit and Duties of Echelon I of the State Ministries of the Republic of Indonesia as amended several times lastly by the Presidential Regulation Number 50 of 2008;
- Regulation of the Minister of Trade Number 01/M-DAG/PER/3/2005 regarding the Organization and Working Procedure of the Ministry of Trade as lastly amended by the Regulation of the Minister of Trade of the Republic of Indonesia Number 24/M-DAG/PER/6/2009;
- Regulation of the Minister of Domestic Affairs' Number 57 of 2007 regarding Technical Guidance on the Rearrangement of Regional Apparatus Organization;

### HAS DECIDED:

To stipulate

REGULATION OF THE MINISTER'S REGARDING WORKING UNIT AND TECHNICAL IMPLEMENTING UNIT OF LEGAL METROLOGY.

### Article 1

In this Regulation of the Minister what's meant by:

1. Legal metrology is the metrology which manages the measurement units, measuring methods and measuring wo

devices that pertain to the technical requirements and Law-based regulations which are intended to protect the public interest in term of measurement accuracy.

- Working unit is the technical units at ministries/nondepartmental governmental institutions or regional apparatus working units (SKPD) assuming the main duties and functions in legal metrology sector.
- Technical Implementing Unit which hereinafter shall be abbreviated as UPT is the technical duties implementing element in legal metrology sector under the Directorate of Metrology.
- Technical Implementing Unit of Provincial Region which hereinafter shall be referred to as UPTD province is the technical duties implementing element of legal metrology sector in provincial region.
- Technical Implementing Unit of Regency/Municipality region which hereinafter shall be referred to as UPTD regency/municipality is the technical duties implementing element of legal metrology sector in regency/municipality region.
- Office of provincial service is the service office in provincial region the duties and responsibilities of which are in trade sector.
- Office of regency / municipality service is the service office in regency/municipality region the duties and responsibilities of which are in trade sector.
- Legal metrology service is any service activities implemented by UPT or UPTD covering test on measuring, dosage, weighing devices and their outfits (UTTP) in the context of type license, factory marking license, calibration and re-calibration on UTTP.
- 9. Legal metrology laboratory which hereinafter shall be referred to as laboratory is a certain place equipped with

equipment and measurement standard which comply with the designated requirements to organize legal metrology activity and the capability of which is legally accountable.

- Measurement standard is the physical magnitude standard of a measurement unit validly used as the basis of comparison.
- 11. Assessment is a series of processes or activities conducted by the Minister in this matter the Director General of Domestic Trade on UPT, UPTD Province, or UPTD regency/municipality to verify their compliance with the stipulated requirements.
- Head of Provincial Service is the Head of service in a provincial region whose duties and responsibilities are in trade sector.
- Head of Regency/Municipality Service is the head of service in a regency/municipality region whose duties and responsibilities are in trade sector.
- 14. Director of Metrology which hereinafter shall be referred to as Director is the Director whose duties and responsibilities are in legal metrology sector.
- 15. Director General Of Domestic Trade which hereinafter shall be referred to as Director General is the Director General whose duties and responsibilities are in domestic trade sector.
- 16. Minister is the Minister whose duties and responsibilities are in trade sector.

### Article 2

The activities of legal metrology include:

- a. elucidation and observation on UTTP, Goods in Wrapped Condition (BDKT), and International System Unit (SI);
- monitoring on UTTP, BDKT, and SI as well as the investigation on criminal acts in legal metrology sector;
- management on measurement standard and laboratory

- d. tests on UTTP in the context of type license and factory marking license; and
- e. the implementation of calibration and re-calibration on UTTP.

### Article 3

- (1) Such legal metrology activities as referred to in Article 2 letter a and letter b, are conducted by the Directorate of Metrology for national scale, office of provincial service for provincial scale, and office of regency/municipality service for regency/municipality scale.
- (2) Such legal metrology activities as referred to in Article 2 letter c, letter d, and letter e are conducted by:
  - a. UPT;
  - b. UPTD province; and
  - c. UPTD regency/municipality

### Article 4

- In conducting such legal metrology activities as referred to in Article 3 paragraph (1), Governor or Head of Regency/Mayor:
  - a. establishes a working unit the function of which is performing the elucidation, observation, monitoring activities, and investigation on criminal acts in legal metrology sector within the office of provincial service or the office of regency/municipality service not having implemented the mentioned duties and functions yet; or
  - b. appoints the working unit already established within the office of provincial service or the office of regency/municipality service to perform the duties and functions of elucidation, observation, monitoring, and investigation on criminal acts in legal metrology sector.

(3) Such working unit as referred to in paragraph (1) shall have at least a Calibration Observer and/or Civil Public Servant Investigator in legal metrology sector, yet, it is not allowable yet to perform the investigating function on criminal acts in legal metrology sector.

### Article 5

- (1) In performing such legal metrology activities as referred to in Article 2 letter c, letter d, and letter e, Minister may form an UPT as required.
- (2) In performing such legal metrology activities as referred to in Article 2 letter c and letter e, Governor may form an UPTD province.
- (3) In performing such legal metrology activities as referred to in Article 2 letter e, Head of Regency/Mayor may form an UPTD regency/municipality.

### Article 6

The formation or appointment of a working unit and the formation of an UPT, UPTD province as well as UPTD regency municipality shall refer to the provisions of statutory regulation.

### **Article 7**

- (1) UPT may organize such legal metrology activities as referred to in Article 2 letter c and letter d, and must have at least:
  - a. an office building, laboratory, and equipment in accordance with its scope of service;
  - b. human resources of metrological affairs; and
  - a certificate on laboratory accreditation from the National Accreditation Institution.
- (2) UPT may organize such legal metrology activities as referred to in Article 2 letter e, and must have at least:
  - a. an office building, laboratory, and equipment in

accordance with its scope of service;

- b. human resources of metrological affairs; and
- c. the capability of UTTP calibration and re-calibration service based on the assessment made by Minister in this matter Director General.
- (3) UPTD province may organize such legal metrology activities as referred to in Article 2 letter c and letter e, and must have at least:
  - a. an office building, laboratory, and equipment in accordance with its scope of service;
  - b. human resources of metrological affairs; and
  - c. the capability of UTTP calibration and re-calibration service based on the assessment made by Minister in this matter Director General.
- (4) UPTD regency/municipality may organize such legal metrology activities as referred to in Article 2 letter e, and must have at least:
  - a. an office building, laboratory, and equipment in accordance with its scope of service;
  - b. human resources of metrological affairs; and
  - recommendation from the head of Provincial Service;
     and
  - d. the capability of UTTP calibration and re-calibration service based on the assessment made by Minister in this matter Director General.

### Article 8

Those human resources of metrology affairs assigned at such working unit as referred to in Article 4 paragraph (2) and those assigned at UPTD province or regency/municipality as referred to in Article 7 paragraph (3) letter b and paragraph (4) letter b, shall not be moved to another post until such working unit or UPTD having a replacement human resources with the same skills.

### Article 9

- (1) UPT has the functions of:
  - a. organizing UTTP tests for the issuance of Type Licenses and Factory Marking Licenses;
  - b. managing a measurement standard and legal metrology laboratory nationwide; and
  - c. performing the service activity of UTTP calibration and re-calibration that needs a special handling.
- (2) UPTD province has the functions of:
  - a. conducting the verification on measurement standard
     at UPTD province and UPTD regency/municipality;
  - conducting the inter-comparison on measurement standard at UPTD regency/municipality;
  - c. coordinating and implementing the UTTP calibration and re-calibration activities in a regency/municipality region.
- (3) UPTD regency/municipality has the function of UTTP calibration and re-calibration service the local region.

### Article 10

- (1) UPT in performing such functions as referred to in Article9 paragraph (1) letter b, shall conduct:
  - The tracing on a measurement standard up to the higher level;
  - b. decimination of measurement standard;
  - c. verification on measurement standard;
  - d. inter-comparison on measurement standard; and
  - e. care and maintenance on measurement standard.
- (2) In addition to such provisions as referred to in paragraph(1), UPT shall also conduct:
  - a. a verification on the measurement standard of UTPD Province and/or UTPD regency/municipality; and
  - b. an inter-comparison on the measurement standard of wo

### UTPD Province and/or UTPD regency/ municipality

### Article 11

- (1) Such recommendation as referred to in Article 7 paragraph (4) letter c, shall at least include data and information on:
  - a. main duties and functions of metrological affairs
  - b. human resources of metrological affairs; and
  - c. potential of legal metrology service
- (2) Such recommendation as referred to in paragraph (1), shall be granted by the Head of Provincial service after having conducted a preliminary review on those UTPD regency/municipality going to organize such UTTP calibration and re-calibration activities.
- (3) The procedure of granting such recommendation as referred to in paragraph (1) is contained in Attachment I which constitutes an inseparable part of this Regulation of the Minister.

### Article 12

- (1) UPT, UPTD province, and UPTD regency/municipality that have been formed or to be formed to implement such functions as referred to in Article 9 must undergo an assessment.
- (2) To obtain such assessment as referred to in paragraph(1):
  - Director to submit an application for the assessment on UPT's capability to perform such functions as referred to in Article 9 paragraph (1) letter a and letter b to the National accreditation institution;
  - b. Director and Head of Provincial Service to submit an application for the assessment on UPT's or UTPD province's capability to perform UTTP calibration and re-calibration service to the Minister in this matter

Director General; and

c. Head of Regency/Municipality service to submit an application for the assessment on UTPD regency/municipality's capability to perform UTTP calibration and re-calibration service to the Minister in this matter Director General by enclosing such recommendation from the Head of Provincial Service as referred to in Article 11 paragraph (1).

### Article 13

Such assessment on UPT, UPTD province, and UPTD regency/municipality made by the Minister in this matter the Director General as referred to in Article 12 paragraph (2) letter b and letter c, shall be conducted under the Regulation of the Minister which regulates the assessment on UTTP calibration and re-calibration service capability.

### Article 14

- (1) UTPD province may perform the UTTP calibration and recalibration service activity in:
  - a. regency/municipality not having an UTPD yet; or
  - regency/municipality having established an UTPD for UTTP beyond the designated scope of service.
- (2) UPT may organize a legal metrology activity service in a province either does not or not yet capable of performing part or the whole scope of legal metrology activity service.

### Article 15

UPT, UPTD province, and UPTD regency/municipality in implementing the legal metrology activity service shall have to comply with the assessment-based scope of service.

### Article 16

(1) The Head of Working Unit and the Head of UPTD

Province to submit a monthly report on the legal metrology
activity to the Head of Provincial Service, with a cc to the

- Director and Head of Local Regency/Municipality service at the latest on every 10<sup>th</sup> day of the next month.
- (2) The Head of Working Unit and the Head of UPTD Regency/Municipality to submit a monthly report on the legal metrology activity to the Head of Local Regency/Municipality service, with a cc to the Director and Head of local Provincial Service at the latest on every 10<sup>th</sup> day of the next month.
- (3) Head of Provincial Service to submit a report to the Local Governor and to Minister in this matter the Director General in the form of:
  - a. a monthly report on the legal metrology activity of the provincial working unit and UPTD; and
  - a recapitulation of monthly reports on the legal metrology activity of regency/municipality working units and UTPDs in its working area.
- (4) Such reports as referred to in paragraph (3) shall be submitted at the latest on every 20<sup>th</sup> day of the next month.
- (5) Director to submit a quarterly report to the Minister in this matter the Director General in the form of:
  - a. a report on the legal metrology activity of UPT; and
  - a recapitulation of monthly reports on the legal metrology activity of working units, UPTD provinces, and UPTD regencies/municipalities from all over Indonesia.
- (6) Such quarterly report as referred to in paragraph (5) shall be submitted at the latest on every 30<sup>th</sup> day of the next month.
- (7) The form of such reports as referred to in paragraph (1), paragraph (2), paragraph (3), and paragraph (5) is as contained in Attachment II which is an inseparable part of this Regulation of the Minister.

### Article 17

- (1) Minister in this matter the Director General shall periodically make an evaluation on the performance of UPT, working unit, UTPD provinces, and UPTD regencies/municipalities.
- (2) The results of such evaluation as referred to in paragraph(1), shall be used as the nurturing material of:
  - a. Minister on UPT; and/or
  - b Minister together with the Minister of Domestic Affairs on working unit, UPTD province, and UTPD regency/municipality.

### Article 18

- (1) The organizational unit at the office of provincial service which used to perform such functions as referred to in Article 9 paragraph (2) may keep performing its duties until the establishment of an UTPD province as provided for in this Regulation of the Minister.
- (2) An UTPD province not fulfilling yet such requirements as referred to in Article 7 paragraph (3), may perform the legal metrology activity for maximum 2 (two) years since the stipulation of this Regulation of the Minister.
- (3) An UTPD province having not fulfilled yet the requirements until such time limit as referred to in paragraph (2), its legal metrology activity shall be performed by UPT.

### Article 19

This Regulation of the Minister shall be in effect as of its stipulation date.

In order to let everyone be aware of, instructing the announcement of this Regulation of the Minister by posting it in the State Gazette of the Republic of Indonesia.

### PROCEDURE ON THE GRANTING OF A RECOMMENDATION FOR THE IMPLEMENTATION OF UTTP CALIBRATION AND RE-CALIBRATION SERVICE ACTIVITY

- UTPD Regency/Municipality through the Head of Regency/Municipality service going to organize the activity of UTTP calibration and re-calibration service shall submit an application letter for recommendation to the Head of Provincial Service with a cc addressed to the Director of Metrology;
- 2. Such application letter as referred to in number 1, must be completed with data and information on:
  - a. the organizational structure and main duties as well as the functions of the applicant UPTD Regency/Municipality;
  - kinds and number of human resources in metrological field employed by the applicant UPTD Regency/Municipality;
  - c. types, technical specifications, and quantity of the standard equipment belonging to the applicant UPTD Regency/Municipality; and
  - d. the potential of UTTP calibration and re-calibration service within its working region which covers the area of working region, number of districts, number of villages/urban-villages, number of traditional markets, number of UTTP producers, BDKT packaging producers/companies, and the quantity as well as the types of UTTP already calibrated and re-calibrated within its working region for the last 3 years.
- 3. The Head of Provincial Service or an official appointed to conduct a site visit to the applicant UPTD Regency/Municipality in order to verify the accuracy of data and information supplied. The Head of Provincial Service or the appointed official may provide some recommendations or instructions to the applicant UPTD Regency/Municipality, that it can meet the minimum requirements needed to implement the activity of UTTP calibration and re-calibration service;

Number : 50/M-DAG/PER/10/2009 Dated : October 7, 2009

4. Based on the results of such site visit to the applicant UPTD Regency/Municipality as referred to in number 3, the Head of Provincial Service shall provide a recommendation on the applicant UPTD Regency's/Municipality's preparedness to implement the activity of UTTP calibration and re-calibration service by using the format of letter as enclosed;

- 5. Such recommendation as referred to in number 4 can be issued, when the applicant UPTD Regency/Municipality has met the minimum requirements as follows:
  - its main duties and functions to implement the activity of UTTP calibration and recalibration service;
  - b. employing 1 (one) Expert Calibrator and 3 (three) Skilled Calibrators;
  - c. having the standard equipment as follows:

Working meter 1 m/ 1mm	1 unit
Bourje	1 set
Standard measuring vessel of 5 L, 10 L, 20 L third class	1 unit each
Measuring glass 1 L / 100 MI	1 unit
Measuring vessel pad	1 unit
Leveling device	1 unit
Stop watch	1 unit
Calibration pair of scales A,B,C,D,E	1 unit each
Weighs of scale F2 class (1 mg ~ 20 kg)	1 set
Weighs of scale M1 class (1 mg ~ 20 kg)	1 set
Weighs of scale M2 class (1 mg ~20 kg)	1 set
Weighs of scale M2 class (1kg, 2 kg, 5 kg, 10kg, 20 kg)	2 pieces each
Weighs of scale M2 class for remidion (1g ~ 1 kg)	2 sets
Slab of tin Weighing scale M2 class (20 kg)	50 pieces
Standard Portable scale up to 110 kg and Tripod	1 set
Calibration marking pad	1 set
Thermometer 100degree C	1 unit
Thermohygrometer	1 unit
Barometer	1 unit
Computer	2 units
Laser printer	1 unit
Air conditioner	1 unit
	Bourje  Standard measuring vessel of 5 L, 10 L, 20 L third class  Measuring glass 1 L / 100 MI  Measuring vessel pad  Leveling device  Stop watch  Calibration pair of scales A,B,C,D,E  Weighs of scale F2 class (1 mg ~ 20 kg)  Weighs of scale M1 class (1 mg ~ 20 kg)  Weighs of scale M2 class (1 mg ~ 20 kg)  Weighs of scale M2 class (1kg, 2 kg, 5 kg, 10kg, 20 kg)  Weighs of scale M2 class for remidion (1g ~ 1 kg)  Slab of tin Weighing scale M2 class (20 kg)  Standard Portable scale up to 110 kg and Tripod  Calibration marking pad  Thermometer 100degree C  Thermohygrometer  Barometer  Computer  Laser printer

data of quantity and types of UTTP already calibrated and re-calibrated within its working area during the last 3 (three) years.

All of the costs incurred in the implementation of recommendation provision for the organization of UTTP calibration and re-calibration service activity shall be charged to the applicant UTPD Regency/Municipality.
