HAS DECREED:

To determine : **THE REGULATION OF THE MINISTER OF TRADE CONCERNING PROVISIONS FOR IMPORT OF HORTICULTURE PRODUCTS.**

Article 1

The meaning of the following in this Regulation of the Minister is:

1. Horticulture are all matters related to fruit, vegetables, vegetable drug materials, and floriculture, including mushroom, moss, and water plants functioning as vegetables and/or esthetics materials.
2. Horticulture products are all products originating from still fresh or already processed horticulture plants.
3. Fresh Horticulture Products are food originating from plants in form of post harvest produced products for consumption or industrial raw materials and or products that are minimally processed.
4. Processed Horticulture Products are food or beverages processed with certain system or method with or without supplementary materials.
5. Import is the activity of taking in goods into the Customs Area.

6. General Importer Identity Number, hereinafter abbreviated as API-U, is the identity as General Importer.
7. Producer Importer Identity Number, hereinafter abbreviated as API-P, is the identity as Producer Importer.
8. Import Approval is the import approval for Horticulture Products.
9. Distributor is the national trade company, acting for and on its own behalf, which scope covers the activities of purchasing, storage, selling and marketing of goods, especially distributing goods from the importer to the retailer.
10. Label is each information on the Horticulture Product in form of picture, writing, combination of both, or other forms that contains information on the product and information on the business actor as well as other information in accordance with the applicable provisions of the legislative regulations, which is attached to the product, put inside, affixed on, or is part of the packing.
11. Food Tare Logo is the marking on showing that the packing is safe to be used for food.
12. Recycle Code is the marking showing that a food packing can be recycled.
13. Packing is the material used to contain and or wrap the Horticulture Product, either directly touchable or not.
14. The Import Recommendation for Horticulture Product, hereinafter referred to as RIPH, is the written information provided by the Minister of Agriculture or the appointed official to the company that will import Horticulture Products.

15. Reference Price is the sales reference price at the retailer level, which is determined by Horticulture Product Price Monitoring Team.
16. Verification or technical tracing is the technical investigation and examination on imported goods, which is carried out by the Surveyor.
17. Surveyor is the survey company that has obtained the authorization to carry out the Verification or technical tracing on imported goods.
18. Trade Integrated Service Unit I, hereinafter referred to as UPTP I, is the unit that organizes the trade integrated service.
19. Coordination Meeting is the inter ministry/institution meeting organized by the coordinating ministry that organizes the ministerial affairs coordination in implementing the administration in the economic sector.
20. Minister is the minister who organizes the administration affairs in the trade sector.
21. Director General is the Director General of Foreign Trade, Ministry of Trade.
22. UPTP I Executive Coordinator is Official assigned by the Minister to organize the UPTP I licensing service.

Article 2

- (1) The import of Horticulture Products is limited.
- (2) The Horticulture Products, which import is limited, are as contained in the Appendix, which is an inseparable part of this Regulation of the Minister.

Article 3

The determination of the annual total import allocation of Horticulture Products is decided and agreed upon in the Coordination Meeting.

Article 4

- (1) The import of Horticulture Products, as meant in Article 2, may only be carried by companies in possession of the API-U or companies in possession of the API-P, which have obtained the Import Approval from the Minister.
- (2) The Minister gives the mandate to issue the Import Approval, as meant in paragraph (1), to the UPTP I Executive Coordinator.

Article 5

- (1) The Import Approval, as meant in Article 4, may be distinguished as follows:
 - a. Import Approval for Fresh Horticulture Products;
 - b. Import Approval for Fresh Horticulture Products especially for chili (fruit of *genus Capsicum*) with Tariff Post / HS 0709.60.10.00 an fresh red onion for consumption with Tariff Post / HS 0703.10.29.00; and
 - c. Import Approval for Processed Horticulture Products.
- (2) Each company may obtain more than 1 (one) Import Approval, as meant in paragraph (1).

Article 6

- (1) In order to obtain the Import Approval, as meant in Article 4, the company in possession of the API-U should electronically submit the request to the Minister, in this case the UPTP 1 Executive Coordinator, by attaching the following:
 - a. API-U;

- b. Evidence on the ownership of the storage place in accordance with the product characteristics;
 - c. Evidence on the ownership of the transportation equipments in accordance with the product characteristics;
 - d. Evidence on the Horticulture Product sales cooperation contract with minimum 3 (three) distributors for minimum 1 (one) year;
 - e. Evidence of experience as Horticulture Product distributor during 1 (one) year; and
 - f. RIPH.
- (2) The request, as meant in paragraph (1), should contain the information on the capacity and worthiness of the storage place and transportation equipments in accordance with the Horticulture Product characteristics.

Article 7

In order to obtain the Import Approval, as meant in Article 4, the API-P owner Company should electronically submit the request to the Minister, in this case the UPTP 1 Executive Coordinator, by attaching the:

- a. API-P;
- b. Evidence of control on the storage place in accordance with product characteristics;
- c. Evidence of control on the transportation equipments in accordance with the product characteristics; and
- d. RIPH.

Article 8

- (1) The UPTP 1 Executive Coordinator issues the following on behalf of the Minister:
- a. The Import Approval within not later than 2 (two) working days as of the date the request is received completely and correctly; or
 - b. Rejection to issue the Import Approval within not later

than 2 (two) working days as of the date the request is received, in this case the request is incomplete and/or incorrect;

- (2) The issuance of the Import Approval to the API-U owner company should take account of the capacity and worthiness of the storage place and transportation equipments in accordance with the characteristics of the Horticulture Product.
- (3) The issuance of the Import Approval to the API-P owner company should take account of the worthiness of the storage place and transportation equipments in accordance with the characteristics of the Horticulture Product.

Article 9

- (1) The validity term of the Import Approval for the API-U owner company is in accordance with the validity term of the RIPH.
- (2) The validity term of the Import Approval for the API-P owner company is maximum 5 (six) months.

Article 10

- (1) The submission of request for the Import Approval, as meant in Article 6 and Article 7 can only be served with the electronic system through <http://inatrade.kemendag.go.id>.
- (2) In case of force majeure, which causes that the electronic system through <http://inatrade.kemendag.go.id> is not functioning, then the submission of request, as meant in paragraph (1), is delivered manually.

Article 11

The period for submission of the Import Approval request for the API-U owner company is as follows:

- a. The request for Import Approval of Fresh Horticulture Products is divided in 2 (two) times every year, with the provision:

1. For the first semester, namely for the period of January to June, the request should be submitted in December of the previous year; and
 2. For the second semester, namely for the period of July to December, the request should be submitted in June of the running year.
- b. The request for Import Approval of Fresh Horticulture Products, especially chili (fruit of *genus capsicum*) with the Tariff Post/HS 0709.60.10.00 and fresh red onion for consumption with the Tariff Post/HS 0703.10.29.00 may be submitted at any time;
- c. The request for Import Approval of Processed Horticulture Products may be submitted at any time.

Article 12

The submission of request for the Import Approval for the API-P owner company may be carried out at any time.

Article 13

- (1) The import of Horticulture Products, especially chili (fruit of *genus Capsicum*) with the Tariff Post/HS 0709.60.10.00 and fresh red onion for consumption with the Tariff Post/HS 0703.10.29.00 is carried out by taking account of the Reference Price determined by Horticulture Product Price Monitoring Team, which is established by the Minister with members consisting of the related agency elements.
- (2) In case the import price of the Horticulture Products, especially chili (fruit of *genus Capsicum*) with the Tariff Post/HS 0709.60.10.00 and fresh red onion for consumption with the Tariff Post/HS 0703.10.29.00 is below the Reference Price, then the import of the Horticulture Products, especially chili (fruit of *genus Capsicum*) with the Tariff Post/HS 0709.60.10.00 and fresh red onion for consumption with the

Tariff Post/HS 0703.10.29.00 is postponed until the price reaches the Reference Price.

- (3) The Reference Price of Horticulture Products, especially chili (fruit of *genus Capsicum*) with the Tariff Post/HS 0709.60.10.00 and fresh red onion for consumption with the Tariff Post/HS 0703.10.29.00, as meant in paragraph (1), may be evaluated at any time by the Horticulture Product Price Monitoring Team.

Article 14

- (1) The API-U owner company that has obtained the Import Approval:
 - a. May only trade and/or transfer its imported Horticulture Products to the Distributor; and
 - b. Is prohibited to trade and/or transfer its imported Horticulture Products directly to the consumer or retailer.
- (2) The API-P owner company that has obtained the Import Approval:
 - a. May only import Horticulture Products to be used as the production raw materials or as supporting materials for the need of production of its Industry; and
 - b. Is prohibited to trade and/or transfer its imported Horticulture Products to another party.

Article 15

- (1) The Import Approval, as meant in Article 8 paragraph (1) letter a, is passed on by way of *online* to the portal of *Indonesia National Single Window (INSW)*.
- (2) In case the import of Horticulture Products is carried out through that is not yet connected to the *Indonesia National Single Window (INSW)*, then the copy of the Import Approval is delivered manually to the related agency.

Article 16

- (1) The imported Horticulture Products should comply with the following packing requirements:
 - a. The packing that is directly in touch with the food should use materials that are allowed for food in accordance with the provisions of the legislative regulations;
 - b. The packing that uses plastic should indicate the Food Tare Logo and Recycle Code in accordance with the provisions of the legislative regulations; or
 - c. The packing that uses wood should be dried and provided the sign in accordance with the provisions of the legislative regulations.
- (2) The compliance of the packing requirements, as meant in paragraph (1), should be proven with the:
 - a. Test result certificate issued by the testing competent laboratory recognized by the local government; or
 - b. Statement from the importer certifying that the packing that is used is in accordance with the provisions of the legislative regulations by indicating the recycle code and food tare on the packing.

Article 17

- (1) The Verification or technical tracing should first be carried out for each implementation of the Horticulture Product import at the loading port of the country of origin.
- (2) The implementation of Verification or technical tracing, as meant in paragraph (1), is carried out by the Surveyor determined by the Minister.

Article 18

In order to be able to be determined as implementer of the import Verification or technical tracing of Horticulture Products, as meant in Article 17 paragraph (2), the Surveyor should comply with the following requirements:

- a. In possession of the Survey Service Business License (SIUJS);
- b. Experienced as Surveyor for minimum 5 (five) years;
- c. Has branches or representatives and/or affiliates abroad and has a network to support the effectiveness of the Verification or technical tracing service; and
- d. In possession of good track records in the sector of the import Verification or technical tracing activities management.

Article 19

- (1) The Verification or technical tracing, as meant in Article 17 paragraph (1), is carried out on the import of Horticulture Products, covering the data or information on:
 - a. Original country and port of loading;
 - b. Tariff Post or HS Number and description of product;
 - c. Type and volume;
 - d. Time of shipment;
 - e. Port of destination;
 - f. Affixing of Food Tare Logo and Recycle Code on the packing;
 - g. Health Certificate;
 - h. Phytosanitary Certificate for Fresh Horticulture Products;
 - i. Certificate of Origin (CoO);
 - j. Certificate of packing test result *food grade* or statement from the importer certifying that the packing that is used is in accordance with the provisions of the legislative regulations for Fresh Horticulture Products; and
 - k. Certificate for affixing the Food Tare Logo and Recycle Code or statement from the importer which certifies that the packing that is used is in accordance with the provisions of the legislative regulations for Fresh Horticulture Products.
- (2) The result of Verification or technical tracing, as meant in paragraph (1), is made in form of the Surveyor Report (LS) in

order to be used as the supplementary document in the settlement of customs affairs in the import sector.

- (3) The Surveyor Report (LS), as meant in paragraph (2) should contain the statement of correctness of the Verification or technical tracing and is the full responsibility of the Surveyor.
- (4) The Surveyor collects the service reward from the importer for the implementation of the Verification or technical tracing, as meant in paragraph (1), which amount is determined by taking account of the benefit principle.

Article 20

- (1) The Company that has obtained the Import Approval should electronically submit the report on the implementation of the Horticulture import by attaching the *scan* result of the Import Realization Control Card, which has been initialed and sealed by the Customs officer.
- (2) The report, as meant in paragraph (1), is monthly submitted through <http://inatrade.kemendag.go.id> within not later than the 15th (fifteenth) day of the following month to the Director General with copies to the Director General of Horticulture, Ministry of Agriculture and the Head of the Food and Drugs Control Agency.

Article 21

The Surveyor, as meant in Article 17 paragraph (2), should monthly submit the written report on the implementation of the import Verification and technical tracing of Horticulture Products to the Director General not later than the 15th (fifteenth) day of the following month.

Article 22

The company that does not carry out the obligation of submitting the report, as meant in Article 20 for 2 (two) times, is imposed the sanction of postponement of the Import Approval issuance for the next period.

Article 23

The company may be imposed the sanction of the Import Approval withdrawal in case it:

- a. Is proven as trading and/or transferring its imported Horticulture Products directly to the consumer or retailer, as meant in Article 14 paragraph (1) letter b, for the API-U owner company;
- b. It is proven as trading and/or transferring its imported Horticulture Products to other parties, as meant in Article 14 paragraph (2) letter b, for the API-P owner company;
- c. Is proven as violating the provision of packing as meant in Article 16;
- d. Is proven as amending the data and/or information contained in the Import Approval;
- e. Is proven as submitting incorrect data and/or information as the requirements to obtain the Import Approval;
- f. Conducts the violation based on the assessment and recommendation of the related technical agency; and/or
- g. Is declared guilty based on the court sentence that has permanent legal power for criminal acts related to the misuse of the Import Approval.

Article 24

The imposing of the sanction of the Import Approval postponement, as meant in Article 22 and the withdrawal of the Import Approval, as meant in Article 23, are determined by the UPTP 1 Executive Coordinator on behalf of the Minister.

Article 25

The company that has been imposed the sanction of the Import Approval withdrawal, as meant in Article 23, may only resubmit the request for the Import Approval after 1 (one) as of the date of withdrawal.

Article 26

The determination as Surveyor, as implementer of the import verification or technical tracing activities for Horticulture Products is withdrawn if the concerned Surveyor:

- a. Conducts violations in the implementation of the import verification or technical tracing for Horticulture Products; and/or
- b. Does not comply with the provision of submitting the written report, as meant in Article 21, for 2 (two) times.

Article 27

The withdrawal of the determination as the Surveyor to implement the import verification or technical tracing for Horticulture Products, as meant in Article 26, is determined by the Minister.

Article 28

(1) The company that imports Horticulture Products not in accordance with the provision on packing, as meant in Article 16, may be imposed other sanctions in accordance with the provisions of the legislative regulations;

(2) In case the imported Fresh Horticulture Products are:

- a. Not in accordance with the Horticulture Products contained in the Import Approval; and/or
- b. Not in accordance with the provision on packing, as meant in Article 16,

then those products are destroyed in accordance with the provisions of the legislative regulations.

(3) In case the imported Processed Horticulture Products are:

- a. Not in accordance with the Horticulture Products as contained in the Import Approval; and/or
- b. Not in accordance with the provision on packing, as meant in Article 16.

then those products are re-exported in accordance with the

provisions of the legislative regulations

- (4) The costs to implement the destruction and re-export, as meant in paragraph (2) and paragraph (3), are the responsibility of the importer.

Article 29

The examination on the conformity of packing, as meant in Article 16, is carried out by the:

- a. Agricultural Quarantine Agency for Fresh Horticulture Products;
- b. Food and Drugs Control Agency for Processed Horticulture Products.

Article 30

Each import of the Horticulture Product may only be carried out through the port of destination in accordance with the provisions of the legislative regulations.

Article 31

- (1) The import of Horticulture Products for:
 - a. Consignment as gift/grant for religious need of the public, charity, social, or for the interest of handling natural disasters;
 - b. Goods of foreign country representatives, including their officials who are assigned in Indonesia based on the reciprocal principle;
 - c. Goods for the need of international organizations, including their officials who are assigned in Indonesia;
 - d. Goods for the need of research, testing and science development; and/or
 - e. Samples that are not for trade,
should obtain the Import Approval from the Director of Import.
- (2) In order to obtain the Import Approval, as meant in paragraph (1), the applicant should submit the request in writing to the Director of Import by attaching the RIPH.
- (3) The import of Horticulture Products for:

- a. Personal belongings of passengers, crew of transportation means; and
 - b. Border crossers for own consumption, in the amount of maximum 10 (ten) kilograms per person, does not need the Import Approval.
- (4) The import of Horticulture Products, as meant in paragraph (1) and paragraph (3), is exempted from the API requirement and provision of the import Verification or technical tracing.

Article 32

- (1) The control on the import and distribution of Horticulture Products is carried out in accordance with the provisions of the legislative regulations.
- (2) The Minister may establish the integrated team, consisting of representatives from the related agencies, in order to carry out the following:
- a. Control the distribution of Horticulture Products; and
 - b. Evaluate the implementation of the Horticulture Product import policy.
- (3) The Directorate General of Foreign Trade may at any time carry out the assessment of compliance on companies that implement the import.

Article 33

Technical instructions on the implementation of this Regulation of the Minister may be determined by the Directorate General.

Article 34

Exception of the provisions that are regulated in this Regulation of the Minister should be upon the approval of the Minister by considering the proposals of the related agencies.

Article 35

At the time this Regulation of the Minister commences effective, the recognition as IP-Horticulture Product, determination as IT-Horticulture Product, the Import Approval, and the Survey Report that is issued based on the Regulation of the minister of Trade Number 16/M-DAG/PER/4/2013 concerning Import Provisions for Horticulture Products, as has been amended several times and latest with the Regulation of the Minister of Trade Number 40/M-DAG/PER/8/2015 is declared still valid until expiration of its validity term.

Article 36

At the time this Regulation of the Minister commences effective, the Regulation of the Minister of Trade Number 16/M-DAG/PER/4/2013 concerning Import Provisions for Horticulture Products, as has been amended several times and latest with the Regulation of the Minister of Trade Number 40/M-DAG/PER/8/2015 is withdrawn and declared as not applicable.

Article 37

This Regulation of the Minister commences applicable on 1 December 2015.

So that it is known by everyone, the enactment of this Regulation of the Minister is instructed with its placement in the State Gazette of the Republic of Indonesia.
